REDECORATION OF LIVING ROOM, HALLWAY AND BEDROOM

I write in regard to the above services you provided me with, and it is my pleasure to write you a reference for the works you have done for me.

The quote was professionally presented, very informative and the price was reasonable for the high standard of work provided.

They always turned up on time, did a full day's work and completed the job within the quoted time scale.

They are very hard-working ladies, provide top quality workmanship with an amazing eye for detail. Absolute perfectionists, they went above and beyond all my expectations and I have absolutely no problem in providing this reference. Just brilliant!

Regards
